NAHOA PONO

1964

**More things are wrought by prayer
Than this world dreams of. Wherefore, let thy voice
Rise like a fountain for me night and day.
For what better are men than sheep or goats
That nourish a blind life within the brain,
If, knowing God, they lift not hands of prayer
Both for themselves and those who call them friend?
For so the whole round earth is every way
Bound by gold chains about the feet of God.**

Tennyson

**The only chains wherewith men should be bound
Are golden-forged and locked with love.**

The teacher...

**With respect and
affection we dedicate
the 1964 Na Hoa
Pono to our teacher
and bishop, Wayne
L. Allison.**

The bishop...

**To you men who, in your turn, have come together
to spend and be spent in the endless crusade against
wrong; to you who face the future resolute and
confident; to you who strive in a spirit of brotherhood
for the betterment of our nation; to you who gird
yourselves for this great new fight in the neverending
warfare for the good of mankind, I say in closing . . .
We stand at Armageddon and we battle for the Lord.**

BROTHERHOOD..."

NATHAN TANNER
2nd COUNSELOR

The First Presidency of the Church of Jesus Christ of Latter Day Saints is David O. McKay. He is the ninth president of the LDS Church and is a latter day prophet. Through his guidance the Church College of Hawaii was begun eight years ago. Nathan L. Tanner and Hugh B. Brown are his counselors. Without the help of great men like these, the 'Spirit of Brotherhood' would only be a meaning-less name.

The Pacific Board of Education inspected CCH for the purpose of determining the scholastic standards as compared to that of other colleges. Church College was given another four-year rating, which means that CCH is fully accredited with the Pacific Board of Educators. President Mendenhall has been seen periodically around campus, taking an interest in activities and its welfare.

"FACE THE FUTURE RESOLUTE AND CONFIDENT..."

In the world's greatest sermon, Jesus delivered on the Mount, we are advised to go a second mile if someone requires us to go one mile. Student activities such as this yearbook are, I believe, a second mile. Such activities are not required for a degree. They are an accomplishment beyond the ordinary run of class work. Those who have produced this book, have provided their fellow students with a treasure chest of aloha memories.

For students, faculty, and my office I thank the editors, advisor, and skilled workers who produced this book and congratulate them on its general excellence.

Each of the College's nine years has had its distinctive accomplishments: 1955-56, much pioneering, the first Na Hoa Pono; 1956-57, intensive work by labor missionaries building the new campus; 1957-58, the first influx of South Pacific and Mainland students; 1958-59, completion of a new campus, dedication, and getting organized on it; 1959-60, doubling of enrollment, accreditation as a junior college, beginning of the four-year program; 1960-61, new dormitories under construction, accreditation by the Western College Association as a four-year institution; 1961-62, growth of 47%, dedication of new dormitories; 1962-63, the largest number of and general education studies in applied thinking; and 1963-64, dedication of the Polynesian Cultural Center and extended accreditation by the Western College Association.

To us and to you the greatest thing during recent years is that you were here. Next year our aim is to serve you and more of your friends by bringing the College of capacity operation, surpassing the 1,000 mark. An attractive yearbook such as this will help us reach the goal. Mahalo and aloha pumehana.

"ENDLESS CRUSADE AGAINST WRONG..."

GIRD YOURSELVES FOR THIS GREAT NEW FIGHT..."

KAY J. ANDERSEN
Dean of Instruction

Our deans have truly been our guides. Kay Anderson, our Dean of Instruction, and Ralph Olson, our Dean of Students, have assisted us throughout the school year. Their fine guidance has made possible an academically successful year. Our honor roll club has climbed in membership, and we have again been approved by the Accreditation team this year. Our heart-felt thanks to our deans . . . our guides.

RALPH D. OLSON

"FOR THE BETTERMENT OF OUR NATION..."

JOSEPH R. SPURRIER

Registrar

Without the help of these men - - - our 'stays' - - - we could not have had a year quite as proficient as this year has been. These men are the foundation of Brotherhood, for the effort and help they gave to us was the basis for our successful school year. Our deepest gratitude goes out to our Administration - - - thanks for making the 'Spirit of Brotherhood' more than just a name.

The officers of the Freshmen Class for the 1963-64 school year were: President, John Wheeler; Vice-President, Mike Rodrigues; Secretary-Treasurer, Doug Owen; Representatives, Pamela Nielson, Kathleen Reeve and James Smith.

Highlighting the Freshmen activities was the Orientation Beach Party at Kakela before first semester began. Singing, playing and refreshments were enjoyed by those who attended.

With the Intercollegiate Knights in charge of the initiation of the Freshmen, all Freshmen were required to help clean the Block "C" (hill with the letter "C" in the back of the dormitories). Those who did not show up had lipstick smeared on their faces by the upper class men.

On December 14, the Freshmen class went on a touring bus excursion around Oahu. The class visited many places that are tourist and kamaaina attractions including Makapu (a surfing spot), Sandy Beach, Blow Hole, Hanauma Bay, Hawaii Kai, Waikiki, Ala Moana Shopping Center and the Honolulu Zoo. At Wahiawa the group tasted fresh, juicy pineapple from the pineapple stand. Miss Barbara Miller, class advisor, accompanied the group.

The International Ball on March 20, 1964 revealed who were Mr. and Miss Freshmen. The Freshmen Class picked Tui Hunkin of Laie, Oahu as Miss Freshmen and Jim Holstrum as Mr. Freshmen.

The purpose of the Home Economics Club is to professionally improve students studying Home Economics, to develop leadership and cooperation by sponsoring activities, to encourage scholarship, to get acquainted with the occupations and industries related to Home Economics, and to demonstrate the major activities of students in the Division of Home Living.

Under the guidance of Miss Christensen and Miss Millerberg, the members of the club had Mrs. Carper teach them how to make fabric roses, and Mr. Wylie Swapp showed them how to make Christmas cards.

The girls enjoyed the display of fruits and Hawaiian handicrafts when they toured the Bishop Museum, in Honolulu. They also visited the Dole Sugar Refinery in Honolulu, where they saw how sugar cane was processed. As the farewell social of the school year, the club prepared a Chinese dinner.

Theatra Club officers and members assemble for initiation.

Theatra, the newest organized club on campus, is composed of Church College of Hawaii drama enthusiasts.

In its program of work and fun, Theatra attempted to carry out its purpose "to promote the appreciation of fine dramatic art through creative dramatic activities." The emblem of the club is the masks of comedy and tragedy; the club colors are royal purple and metallic gold.

During the year Theatra held initiation for new members, co-sponsored the two Oumansky Magic Ring productions presented at Church College of Hawaii, and ushered at and helped technically with the three CCH plays.

INTERCOLLEGIATE KNIGHTS

The Kamehameha Chapter of the Inter-collegiate Knights is a national honorary service fraternity. More commonly known as the I.K.'s it has been active in many projects this year: Freshmen Initiation, lighting of the block "C", and acting as tour guides and ushers at many school functions. The big project for the year was the painting of parking stalls and traffic lines on the campus.

The membership also participated in money raising ventures which enabled them to secure furniture for their fraternity room and to help pay for the other expenses incurred during the year.

The membership this year was twenty-five. The members logged well over a thousand hours in service and work projects for the school and the studentbody.

Once again the IK's selected a Chapter Kuipo from the coeds on campus. After the competition was over Anne Buffandeau was presented to the studentbody as the IK Kuipo. She was presented at their assembly on April 9, 1964.

Latin hymns to Carribean calypso were the numbers done by the group at Waimea High School, Kapaa High School, Coco Palms Hotel and a benefit show at the LDS Lihue Branch.

To set the cause above renown,
To love the game beyond the prize,
To honour, while you strike him down,
The foe that comes with fearless eyes:
To count the life of battle good,
And dear the land that gave you birth,
And dearer yet the brotherhood
That binds the brave of all the earth.

BASKETBALL

The Church College Seasideers after a slow start built up steam as the season progressed, improving in their performances as they, operating as independents after two years of league play, played a schedule composed of some of the toughest teams in the Islands. Under the great leadership of Head Coach Mac Madsen, the boys possessed highly impressive morales and won esteem throughout Island basketball circles for their sense of fair play. The greatest handicap was a lack of experience. Coach Madsen praised the 1963-64 Seasideers as "the best team I have had at the College."

Discouraged by the number of boys who turned out for the wrestling squad, Coach Kent Staheli built his gladiators in strength and ability to beat his adversaries individually as well as a team.

The two Sione's (Sika and Keni) battle for the title...

Among these wrestlers were Vea Vehikite, a four year state champion; John Latu, a three year state champion; John Philip, a one year state champion; and other fine wrestlers such as; John Keni, Sione Sika, Patoa Benioni and James Lee.

To these men we may say "a job well done".

With the exertion lifting him from the ground, Sifo Vi practices putting the steel shot.

The CCH track squad sprinted, leaped, and hurdled its way through an eventful season. Long hours of grueling practice and almost unlimited talent enabled the team to participated in every event which they felt they could get points in.

Among the tracksters were veterans from previous years. Jack Winn was a champion 440-yard runner and Stan Natividad an outstanding sprinter both in the 100 and 220 yard dash. Vernon Davis, a fine half miler, was unable to compete in the early part of the season.

The highlight of the track season was a trip to Maui to compete against the state top finalists.

CCH trackster Orlando Stevens, left, follows Bruce May over the low hurdles.

For heaven's sake, don't trip this time!

INTRAMURALS

This year's intramurals program under the direction of coaches Mac Madsen and Kent Staheli has been a successful one. This program was for the benefit of boys with interest in sports but who did not have enough time to participate in varsity competition. Intramurals included football, basketball, wrestling, swimming, baseball, track, volley ball, and handball.

Our thanks to coaches Madsen and Staheli for a job well done.
